Bhartiya
Education
Group

The Institute Overview:

Pharmacy is a branch of study which deals with the science and techniques of preparation, dispensing and review of the drugs. Traditionally, it means the art and science of making medicines. It is a versatile, dynamic, growing and increasingly diverse profession which creates enthusiasm in the minds of the students because of its multifarious dimensions. With the phenomenal growth of Pharmaceutical Industry, the health sector has thrown multitudes of opportunities for the Pharmacy professionals. Pharmacists are healthcare professionals whose professional responsibilities include seeking to ensure maximum therapeutic benefits by the use of medicines. With the advancement of medical science, there has been a recurrent demand for qualified and skilled Pharmaceutical technologists in this profession. To cater to this requirement of Industry-ready bright professionals, the entrepreneurs, associated with Vivekanad college of Pharmacy was established in the year of 2019 under the banner of Bhartiya Education Group, Sikar. VCP is approved by PCI New Delhi and affiliated to Rajasthan University of Health Sciences. VCP had approved intake of 60 seats in Bachelor of pharmacy and 60 seats in Diploma in Pharmacy through AICTE and PCI .

From Desk of Chairman

I take extreme pride and pleasure to write this message for the newcomers who will come to the umbrage of Vivekanand College of Pharmacy and Allied Health Sciences. I am truly convinced that a student will achieve an excellent abode of knowledge under the tutelage of our sincere and dedicated faculty members. Pharmacy, as an individual curriculum of study has gained the reverence of students for its multifaceted dimensions. A pharmaceutical technologist helps mankind in diverse ways. He prepares medicines for incurable diseases as a pharmaceutical technologist, fetches the medicines to the reach of common people as medical representatives, engages himself in clinical research, even he can be the officer of Quality Assurance or Quality control of the medicines in the big production houses and last but not the least, he can develop himself as an independent entrepreneur. Since 2019, Vivekanand College of Pharmacy has been a reliable name for the aspiring Pharmacy professionals. We believe in sustainable development of a professional. Receiving knowledge does not only mean to achieve academic brilliance, but, it also stands for a holistic development of mind. Apart from delivering quality education, we encourage students to participate in National and International semi-nars, symposia, extracurricular activities like music, dance, drama, sports and voluntary social works like tree plantation, blood donation, spending quality time with the inmates of various orphanages. These activities inject the humane qualities in an individual. Even, in this institution, students are trained to be the future entrepreneurs by the help of an active Entrepreneurship Development Cell.

With high hope and enthusiasm, I welcome all budding Pharmaceutical Technologists to the centre of knowledge where educational nurturing and professional grooming go hand in hand for producing the best professionals for Pharmaceutical Industry.

**Chairman
H.R. Ranwa**

Dear Students,

Congratulations on joining the VCP family. On behalf of the Institute, I welcome you to VCP, a place where we celebrate youth and excellence and attempt to transform young persons into adults with a sense of social responsibility, human values and concern for environment. We not only strive to train the students to become excellent scientists, technologists, thinkers and leaders of the society, but also help them mould themselves into better human beings.

I sincerely hope that your academic pursuit in VCP will be fruitful and enjoyable in every aspect and the experiences you gain here and the moments you spend here will be cherished by you all your life. Wishing you good luck.

Vijay Kumar Burdak
Administrator

To endorse excellence in sports and provide organized recreation and activity, outdoor and indoor games and sports are encouraged. Our students enjoy the zeal of playing volley ball, cricket, football, badminton in the green playground as well a stable tennis and carom board as indoor recreations. Karate Training facility available in the Campus.

Annual Events

The college organizes annual sports meet every year to encourage its students. The Annual Tech Fest is conducted to encourage its students with technical talents, musical talents and provide some relaxation amidst the busy campus life. The college organizes several events to disseminate the role of Pharmacy graduates In the healthcare and society during the National Pharmacy Week. (3rd Week of November every year).

Infrastructure Support

Classrooms

We provide well designed, well ventilated and well lit classrooms for enabling unhindered teaching and learning process with 'convenience' and 'areas the key elements. These Class Rooms are Smart Class Rooms with Online Teaching and Lecture delivery facilities aided by Smart Boards and Projector Systems.

Animal House

VCP has an excellent and well maintained CPCSEA approved animal house with animals like rat, mice & rabbit . Observation room with air conditioned facilities, documentation room etc are also present. Institutional Animal Ethics Committee has been formed as per CPCSEA guidelines. The animal house is an added resource for the field of Pharmacology.

Museum

A pharma museum with display of crude drug samples, photographs of medicinal plants, charts, proprietary medicines, containers, closures etc is established which is informative and educative.

Laboratories

VCP has Nineteen (19) well equipped spacious Departmental Laboratories for all the subjects of B.Pharma & D.Pharma.as per the educational regulations laid down by PCI, New Delhi as well as RUHS, Jaipur. Experiments are designed on the basis of theory concept so that the students can understand easily.

Language Laboratories

A well equipped Language Laboratory helps students weak in English to hone up their Language Communication skills under the watchful eye of a full time faculty. The Lab is an air-conditioned networked computer aided facility with dedicated software for developing language skills.

Medicinal Garden

The institute has developed a good number of medicinal and aromatic plants in its well organized Medicinal Garden. These medicinal plants enthuse the students to identify them for demonstration as well as extraction of different kinds of drugs and also to generate an aptitude for research in Pharmacognosy and Phytochemistry.

Central Library

The Resource Centre of the college is the upgraded central library with a rapidly increasing collection of text books, reference books, journals, periodicals and CD ROM/DVD discs as well as e-learning facility. At present the library has 9479 number of books, 1010 number of titles, 27 number of journals both national and international. It also provides e-learning facility through DELNET. The library documentation is done through LIBSIS.

Seminar Hall and Auditorium

The college has a fully equipped seminar hall and auditorium to conduct in-house as well as national seminars and conferences, tech fests and other college events.

Instrument & Machine Room

This room is present as an added facility to support experiments. The center of attraction is HPLC, Spectrophotometer, Projection Microscope, Cooling Centrifuge, Trinocular Microscope, Elisa Reader and Washer, Recirculating Chiller, Brookfield Viscometer, High precision imported pH meter, EYELA Rotavapour and Refrigerated cooling cum solvent recovery facility and Digital Plethysmometer etc. Machine Room of the institute provides the facilities for pilot scale manufacturing of various pharmaceutical dosage forms, including tablets, semisolids etc.

Students Safety Insurance Plan

Students safety insurance has been introduced from a premier insurance organization to be applicable to students from all disciplines. Each student studying in any College under Bhartiya Group of Institutions will be covered by the plan and College authorities shall absorb the premia.

Medical Facilities

The students will be able to avail medical facilities from the medical unit of VCP which runs in association with the many Hospitals, Sikar.
